INTRO: Eb F Gm Bb

Eb F
Timeless King in your grace you reached down
Gm Bb
Into time to create this new heart of mine
Eb F Gm
Now I live for you, there's no turning back, my Lord

Bb Gm
Awaken my heart to live for your name
Eb
Awaken my heart, Lord
Bb Gm
There is no one else but You

Sovereign King, I'm amazed even more
That You'd chosen me when you founded the world
Now I live for you, there's no turning back, my Lord

Eb F
In flesh You became our brokenness
Bb/D Gm
So that we could become Your righteousness
Eb F/Ab Bb/D Gm
And we're burning inside for no one else but You

Let Justice roll down as our offering
And let righteousness be the song that we sing
Lord we're burning inside for no one else but you
