Lord of Creation, Your majestic display
C F
Lovingly shows us our hope is on the way
Am F
Lord of the Heavens be the Lord of our hearts
C/E F
Drawing us nearer, draw near to us forever

C
The heavens are declaring the glory of God
Am
The oceans are proclaiming Your wondrous love
F C
The rocks are crying out for Your long awaited return

C
The birds of air are singing Your glorious worth
Am
The starry night declaring the power of your word
F C
And all creation longs for Your long awaited return

God of Salvation, What a wonderful King
Who lovingly saved us and gave us everything
God of redemption, redeeming our hearts
And making us like you, the image of love

F
And exalted as you are
G Am G/B C
Still the humble in heart are your dwelling place
F
Let your majesty fall
G Am G/B C
As your people call on your name
F
And exalted as you are
G Am G/B C
Still you humbled yourself to take our place
F G
So we join creation now
Am G
Lord, we join creation now
