Bb
Do you ever get tired of hearing "I'm sorry"?
Gm
Does it get on your nerves to hear me say it again?
Eb
Cause I know there's so much more to you
Gm
Than a record of wrongs
Eb F Bb
But it feels like I've been doing this too long
Gm F/A Eb
If you kept a record of sins who could stand?
Gm F/A Eb
So I'm falling to my knees for another reason

Bb
Cause I know that I'm a sinner, but I'm tired of my sin
Gm
And I know that I'm forgiven, but this stuff keeps creeping in
Eb F Bb
Let your kindness bring repentance - I'm crying out

Have you tallied up the times I've said "Forgive me"?
Does the world contain enough space to hold them all
Cause I know you say you're merciful for all I've done wrong
But it feels like I've been doing this too long

Cm Gm Eb F
Create in me a clean heart - Renew a steadfast soul
Cm Gm Eb F
Restore to me the joy of your salvation

Bb
Cause I know you made me righteous when you took away my sin
Gm
And you formed a new creation with your nail-scarred hands
Eb F Bb
Let your kindness keep me blameless - I'm crying out
Eb F Bb
Let your kindness keep me blameless - I'm crying out
