In Christ Alone my hope is found

He is my light, my strength, my song

This cornerstone, this solid ground

Firm through the fiercest drought and storm

What heights of love, what depths of peace

When fears are stilled, when striving cease

My comforter, my all in all

Hear in the love of Christ I stand

In Christ alone who took on flesh  
Fulness of God in helpless babe  
This gift of love and righteousness  
Scorned by the ones he came to save  
Till on the cross as Jesus died  
The wrath of God was satisfied  
For every sin on him was laid  
Here in the death of Christ I live

There in the ground his body laid  
Light of the world by darkness slain  
Then bursting forth in glorious day  
Up from the grave he rose again  
And as he stands in victory  
Sins curse has lost its grip on me  
For I am his and he is mine  
Bought with the precious blood of Christ

No guilt in life, no fear in death  
This is the power of Christ in me  
From life's first cry to final breath  
Jesus commands my destiny  
No power of Hell, no scheme of man  
Can ever pluck me from his hand  
Till he returns or call me home  
Here in the love of Christ I'll stand
