VERSE 2

Oh my soul, look on the cross and see
Such great love poured out to rescue me
And the bonds of sin have been broken
By the Curse on Calvary's tree
Suffer no more as a slave to those things
Look on the cross and see
Look on the cross and believe

Let the beautiful lies that wrinkle and stain

C G/B
Fade out near the light of Your glory and grace

Am F
Let all that I am contend for Your praise

C G/B
And the holiness You're working in me
