INTRO/TURN: D-Em G/B-C

Em

Like a fire can warm the winter home  
Or burn it to the ground

C

Like the wind can cool the summer day  
Or turn it upside down

Am

Like the rain can bring the Earth to life  
Or drown it with a flood

C

Our God, he isn't safe, but he is good

Who has saved us from the enemy  
With the power of his hand  
Who has conquered sin  
And soon will banish darkness from this land  
Who has swallowed death in victory  
And nailed it to his cross  
Our God, he isn't safe, but he is good

G

C

**Engrave upon our hearts the gravity of love**

G

**Descended from your glory**

C

**Oh you left your throne above**

Em

C

**The wrath of justice, the cost of grace**

Am

C

**The only sinless one would come and take our sinful place**

Who alone commands eternity  
In the wisdom of his plan  
Who alone has been eternally  
No beginning and no end  
Who alone has stepped down into time  
And bought us with his blood  
Our God, he isn't safe, but he is good
