

Arrest Our Minds

Stephen Miller

VERSE 1

 C
Let the pure in heart be blessed
 B/G
To see Your beauty Lord
 Am F
Let it redefine what beauty is for us
 C
And ruin us for less
 B/G
The smoke and mirrors and counterfeits
 Am F
That cannot fill the hope they promise

CHORUS

 C
Arrest our minds with a vision of You
Am C/E F
Satisfy with a vision of our first love
 C
Let that be enough

VERSE 2

 C
Let the pure in heart be blessed
 B/G
To see Your beauty Lord
 Am F
Let it redefine what beauty is for us
