Bb/D Eb F
We, we were the ones who'd gone astray
Bb/D Eb F
Each of us have turned to our own way

Gave it all, paid it all to bring us in

BRIDGE

Bb/D Eb Bb A/F
And the cross became the center of Your glory
Bb/D Eb Bb A/F
As You had in mind before You said "Let there be. . ."
Bb/D Eb
You came to us to fight our fight
Bb A/F
To make us Yours, to make us right
Bb/D Eb
You came for love, You came as light
Bb A/F
You came that we would know Your life.
