The wonders of your love

An overwhelming flood

A miracle too large for words

PRE-CHORUS

F#m E/G# A D
Humbled at the thought, though I was Your enemy
F#m E/G# A D
At infinite cost, that You would adopt me
F#m E/G# A D E
I can't understand so I bow before the mystery

Oh great King, Oh blessed mystery

Too wonderful for me

I have to sing Hallelujah!

The wonders of Your love
The Lofty coming down to dwell with us
To pour out your own blood
Forsaken for a wretch like me
