INTRO/TURNAROUND: F#m A D

F#m D A  
Completely just and holy God  
D A  
Who from age to age forbore  
F#m D A  
All the blatant acts of evil hearts  
D A  
Unrelenting, in despair  
Bm D F#m  
While promising a son would come  
Bm E/G#  
The messiah from of old  
Bm D F#m  
And his bruised heel would crush the head  
Bm E/G#  
Of the serpent, cursed and cold

Our Perfect priest and sacrifice  
For God's holy wrath toward sin  
When the blood of bulls could not suffice  
Christ absorbed it all in him  
The righteous freely gave his life  
And was buried in the earth  
But our God has raised him from the dead  
He will have the final word

The Spirit comes to testify  
Of truth that we have heard  
The wisdom of a sovereign God  
That the foolish deem absurd  
Convict us and convince our hearts  
Astonish us with grace  
The world is dead and dying fast  
And we need to see Your face

Father, Son, and Holy Ghost  
You're the blessed three in One  
Come and rid our hearts of lesser boasts  
Than the victory You've won  
We throw ourselves upon your grace  
You complete all You begin  
Loose our feeble lips to sing your praise  
Keep our wandering feet from sin  
Loose our feeble lips to sing your praise  
Keep our wandering feet from sin  
Until we can meet again

Bm F#m  
Today listen if you hear his voice  
A E/G#  
Don't harden your heart, or blind your eyes  
Bm F#m  
Hear and believe that he's made his choice  
A E/G# D  
He has chosen you and he will not change his mind
